Be part of the Scarborough Lights Live Advent Calendar 2024!

From **1 - 24 December**, we're lighting up the windows on different streets in Scarborough. We're also teaming up with 24 schools, community groups and charities to create 24 'community' windows, showcasing some of the many amazing organisations across Scarborough.

Throughout December, admire the festive scenes and share some Christmas spirit as you follow the trail.

If your street or community organisation would like to take part in this year's Live Advent Calendar, email scarboroughadvent@gmail.com or visit scarboroughfair.uk to find out more.
